﴿وَالَّذِينَ جَاهَدُوا فِينَا لَنَهْدِيَنَّهُمْ سُبُلَنَا وَإِنَّ اللَّهَ لَمَعَ الْمُحْسِنِينَ﴾

(AlQur'an: 29/69)

“And as for those who strive in our path we surely guide them to our ways. And verily Allah is with those who do good.”

In modern waste Land, the Muslim Ummah is not immune to temporal and religious decadence. A Number of factors are responsible for the decline of Muslim Ummah. But most important one is that we have shown no remarkable progress in field of research which once was an essential weapon of Muslim rulers.

Now it is prime obligation of Muslim scholars to provide basic material effectively helpful in removing the doubts and lethargic attitude of our masses influenced by material views. The inferiority complex of Muslim community can be removed by propagation of research. If we start the journey in the very field, we will definitely be backed by the will of God.

I am very thankful to writers who have contributed their essays to this publication of (Al-Adwa).

May the almighty Allah accept this very humble effort and make it a useful guidance for all.
